**Inside this issue:**

## A Note From the President...

I believe most of us have leapt into 2021 with hope and enthusiasm for great things ahead. A fresh new start is a good thing, much like finally cleaning out that old junk drawer or closet. I hope we all have plans to learn new techniques and tee hee.. find new motivations to buy more fabrics!!

Is it just me or is 2021 the year of the BOM.. Every where I turn in my emails, I see dozens and dozens of 2021 Blocks of the Month. I happen to be most excited about the one announced on January 1<sup>st</sup> with a drum roll presentation on The Quilt Show, called Color My World. I may have to indulge and start yet one more project.

Was thinking, while we are still in our virtual existence, it might be fun if others of you have found similar inspirations and would like to gather a like audience via ZOOM, that could offer a "small group" virtually using our Guild ZOOM account, and enjoy chatting while quilting with other members. If you would like to be a part of such, or the organizer/host of such, reach out to a guild officer or chairperson and let's make it happen. Heidi has seen a growing enthusiasm for our scheduled Sewing Saturdays (and Weekends) being held open via ZOOM for drop in attendance. It's been great to chat and sew right from our own sewing areas!! Hope you will join us for the next Saturday scheduled for the 16th. Watch your email for the link to join in.

Have a Wonderful January, and you will be seeing me at our next Guild General Meeting on January 18th. I'll be ZOOMing in from Kalispell, MT, with a brief sneak peek of Judy Niemeyer's Retreat Center.

## January Program: Becky Goldsmith

Our January speaker is Becky Goldsmith of Piece O'Cake Quilts. Many of us have admired Becky's quilts over the years. What a treat it will be to hear Becky speak and show us some of her quilts. Her topic will be, "My Quilt Top is Finished—Now What?" She will take us through the process of making decisions about batting, backing, quilting (yourself or quilt-by-check), quilting thread and designs, marking quilts...and SO much more! Becky has a real passion for this topic and it is one of her most often requested lectures. Be sure to have a pen and paper handy when you log into this Zoom meeting. You may want to take notes!

Becky Goldsmith is an award-winning quilter who travels to teach quilting both nationally and internationally. Her classes are always interesting and informative, with an emphasis on teaching techniques that help you improve your sewing skills without making you crazy.

Becky met Linda Jenkins, her partner in Piece O'Cake Designs, at a meeting of the Green Country Quilters' Guild in Tulsa, OK in 1986. They started Piece O'Cake in 1994 and, since then, have published more than 30 books and hundreds of patterns, including 7 Blocks of the Month. Linda is mostly retired now while Becky continues writing books and patterns.

Becky says that, for all of us, making quilts is interesting, fulfilling, and challenging—and that being a member of the quilting community is an added bonus. She never imagined that being a quilter would become her life's work, but she's so happy that it did!

## UFO CHALLENGE 2020... Oops! Now 2021

So it's 2021; and for the March general guild meeting, we will have our UFO reveals, finally !!!! If you are interested in taking part in the reveal, you are asked to mail your \$3.00 entry fee to Westside Quilters Guild at PO Box 1036, North Plains Or 97133 – payable to WQG. We do not need your list of projects this year. This is \$3 total, not per entry.

UFOs are “unfinished projects”. This year’s UFO Challenge will include your quilting creations and anything we’ve had classes or workshops for – quilts, wallets and bags are UFOs – anything quilting related. Only started projects qualify - if you have the fabric, but hadn’t started yet, it doesn’t qualify for the challenge. And, they must be completed projects – quilted, binding done and a label on the back.

It seems everything we are doing has some COVID attachment to it, and the UFO Challenge is no different. We have all been working hard in our sewing and quilting arena and have finished many projects. Although we would love to see each and every one of your creations, we do have to place a limit on what is shown during the meeting. You can pick “3” of your favorites, your most challenging, your “most whatever” you like and email a picture of each of those to Jane Hogue at [jhogue.or@gmail.com](mailto:jhogue.or@gmail.com). **The deadline for submitting your photos is Friday, March 12<sup>th</sup>.** We are again doing this by Power Point, and Jane has agreed to create our presentation. (*THANK YOU, THANK YOU JANE!*) Jane will create a numbered list of participants, and that will be emailed to you prior to the meeting. During the presentation, be sure to watch for your place and be ready to un-mute and talk about your entries.

Patty Dobbs, our leader for this event, will also have the list of entries. There will be prizes awarded and announced after the presentation. The number of prizes and the amount of each prize will be determined by the number of entries for this reveal – the prizes come from the total of the \$3.00 entry fees paid. Also, you need to send an email to Patty Dobbs ([patrickdbbs88@q.com](mailto:patrickdbbs88@q.com)) telling her how many UFO projects you actually finished. Your name will be entered into the drawing for prizes this many times. Example: Connie completed 18 projects so she will have 18 tickets in the drawing for a chance at a prize. After the meeting/drawing, Patty will notify the Guild Treasurer (Penni Eagan) and she will mail your prize money.

If you have any questions, please contact Patty Dobbs – her information is in the directory.

## Oregon Garden Retreat

Recognizing that Easter weekend is April 2-4, **the retreat has been moved to April 9-11.**

We continue to monitor state and local emergency orders and will adjust our retreat plan accordingly. Balance payments for the retreat will not be due until March 12th, since the retreat date has moved forward. As more is known about the COVID restrictions, we will update guild members on the status of the retreat. I have been asked if there is still room and if there is a waiting list. We have room for up to 60 attendees, so there is room for more members; and I currently do not have a waiting list.

Stay safe and quilt happily till we can meet again in person!

Robbie

***Oregon Garden Retreat  
(Note the 2nd DATE CHANGE!)  
• April 9—11, 2021  
• \$250 (double) or \$360 (single)  
• Still time/room for more attendees!***

## Featured Business—My Little Quilt Shop

*My Little Quilt Shop* business owner April Prestwick has been a WQG business member for several years. You'll get a chance to hear from her during this month's Zoom meeting, when she'll take a few minutes to talk about her business.

April purchased her long arm machine to complete her own quilts, but it wasn't long before a few friends convinced her to quilt for them. Her specialty is edge-to-edge quilting designs.

April moved from Arizona to Oregon for a job. She joined WQG and completed many charity quilts while she sharpened her skills and eventually opened her business. When she lost her fulltime job in a layoff, April decided to use the down time to take on a kitchen remodel before selling her home. She put her business on hold during the work. (I'm really impressed that she did most of the work herself!) The house sold, and April moved into her new home at the beginning of the Corona virus shutdown. It was months before a technician could come set up her long arm in her new home. She's up and running now, and ready to take on some business.

In her daytime job, April is a contracts manager. She quilts in the evenings and on weekends.

Please submit your newsletter articles to Sharon Kennedy, [SharonFromOregon@yahoo.com](mailto:SharonFromOregon@yahoo.com).  
Articles are due by the Friday after the first Monday of the month. (AKA the Friday after the Board meeting.)

## Two Rewards Programs that Support our Guild

We have two rewards programs that you can use to help earn money for guild projects: Amazon Smile and Fred Meyer Rewards. Please consider participating in these.

This last quarter, we received \$67 and some change from Fred Meyer Donations. We are signed up with Fred Meyers Reward Program and Amazon Smiles. It all adds up, and we should be doing this especially now that we are losing out on some income while we cannot meet together at our regular general meetings. Your family and friends can also specify that their donations go to Westside Quilters Guild, if they aren't already donating through either of the organizations. Let's not let those dollars go to waste!

We are also getting signed up with Bottle Drop Give. (Thanks to Heather Perez for bringing this to my attention!) Your bottle deposits can go to the guild, once we're on board; so if this is something you'd like to participate in, you can start saving your bottles and cans. All or a percentage of your deposits can be donated. More information to follow...

Below is what you need to get set up with Amazon Smile and Fred Meyer Rewards.

- \* **Amazon.com:** If you shop at Amazon.com, you can choose Westside Quilters Guild as your charity, and as you shop, the guild gets a little bit, too.

Here is the link: [AmazonSmile: You shop. Amazon gives.](#)

Once you're signed up, you just shop as you normally would. **Make sure your web address bar reads "smile.amazon.com,"** and your purchases will count toward our quarterly earnings.

- \* **Fred Meyer Rewards:** Register your Fred Meyer Rewards card and choose Westside Quilters Guild as your Charity of Choice. That's all there is to it! You still get your Rewards and gas discounts, and the guild gets a little in our coffers.

Here's the link to sign up: [www.fredmeyer.com/communityrewards](http://www.fredmeyer.com/communityrewards)

Thanks,

Renee Friberg, Ways & Means Chair

**Warning: There's a serial quilter on the loose. We have reason to believe she's following a pattern...**

## Tech News & Tips—Changing Your Screen Name

When you sign into Zoom, you can change your user name so that we all “know” who we are seeing on screen. This also helps our membership team note who is in attendance, just as we do during our in person meetings. If you are bound and determined to keep your unidentifiable name, please use the chat function in Zoom or email Chase to let her know who you are!

If you are using Zoom on a desktop or laptop computer, move your mouse to the three dots in the upper right corner, select “rename” and type in your name (first name is fine, first name and last initial if you’re one of many with the same first name). If you are using Zoom on an iPhone or iPad, you will need to tap on “Participants” at the bottom of the screen, then tap on your name and type in the correct info. This process will work once you’ve entered our meeting. If you want to change it for all meetings, you may change it in your Zoom account.

If you are using another device that I haven’t covered, the directions may still be the same. Do a search for “how to rename in Zoom on (your device type)” for the exact instructions.

We are all learning more about Zoom every time we have a meeting! If you have questions or suggestions, please feel free to email me or our guild president, Judy Block, and let us know.

Thanks!

Joyce Greenfield

## Education Corner—Quilt Stories for Children

Do you know a young person who likes to read? Or maybe a very young person who likes to be read to? And did you also know that there are many children’s books that have stories centered around quilting? Bev Halperin, co-chair of the Guild Education Committee, has a large collection of quilting related books for children of all ages. According to Bev, “Probably my favorite is The Quiltmaker’s Gift and its prequel, The Quiltmaker’s Journey by Jeff Brumbeau. Other titles include: Quilt of Dreams by Mindy Dwyer, The Keeping Quilt by Patricia Polacco, The Quilt Story by Tony Johnston, and Sam Johnson and the Blue Ribbon Quilt by Lisa Ernst.”

We hope to be able to show more of these once we resume in-person guild meetings. In the meantime, many of these books are available on Amazon or can be ordered from your favorite bookstore. Check them out!

## Nominating Committee—Please Volunteer!

It's that time again to select a Nominating Committee (or chairperson) to consider new Board Members for our upcoming leadership of the Guild.. We have such a plentiful group of talent and willingness to serve... or what I call "paying it forward," giving time for a cause we believe in. Please give a moment to make contact with me or other Board Members if you'd like to play a part in helping out our Guild.

It has been an honor for me to serve as your President. I have loved every minute and situation that has allowed me to be involved, however my personal/business life has over filled my life, and I want to share this opportunity with you. We also have positions to consider after 2yrs+ of service for VP Education, VP Charity, Secretary, Treasurer and Ways & Means. We need you and would love to have you aboard!!

Thank you for your consideration!  
JudyQ, WQG President

## Member Survey Says...

This month's survey is brought to you by our members with first names starting with O—Z, plus some WQG Board members. Thanks to all who responded.

**Survey Question:** What was your best quilty accomplishment in 2020? What are your quilty goals/resolutions for 2021?

- **Patty Weightman:** I was commissioned to make a memory quilt for a lady I met on a plane! I completed it early in 2020. She sent me a box of "stuff" with just a note of what was grandmother's, grandfather's, daughter's, hers & her sister's. Literally, just pieces of "stuff". Mailed it to her east coast home, even though she was stuck in California when the lock down happened. Months later, when she finally got home to open the box, I received the nicest note. She wrote that she wanted to call, but she becomes so overwhelmed & cries whenever she looks or talks about it!

I don't really do resolutions. Just gonna try to keep myself & family healthy & happy! Looking forward to getting together with friends again. Looking forward to a better year. Just generally looking forward!

- **Sue Nichols:** My greatest quilty accomplishment in 2020 was delivering 37 quilts to a long armer in Stayton OR who was collecting for those who were burned out in the terrible fires in Oregon this year, These came from both a group of friends who meet weekly at my home (until March of 2020) and my own collection. They collected over 3000!!

For 2021, I want to do a large Judy Niemeyer for my queen bed. Feel more confident after doing her workshop.

- **JudyQ Block:** I am most excited about the photo journal Power Point that I created as a visual documentation of the quilts that I have made since I began quilting in 1972 (with the exception of those given away prior to photographing them..) This is an ever growing project, including current works. Many of the photos were taken out of doors amongst nature, which adds, I think, to the memories. My goals for 2021 are to continue to "catalog" my quilting journey to be visual and documentary to include fabric selection, motivations, and a more detailed timeline of my quilting journey.
- **Heidi Nesheim:** My best quilt accomplishment in 2020 was *FINALLY* finishing an applique quilt I started in 1998! My 2021 goal: make six charity quilts.
- **Sherry Smith:** I did my first Bonnie Hunter Mystery Quilt "Frolic" and finished it! And a lot of 1 1/2" pieces included! Yikes!
- **Tricia Russell:** My greatest 2020 quilty accomplishment was finishing and gifting my grandmother a quilt. She never in a million years thought I would make one just for her. The quilt pattern was a kit purchased from Fiddlesticks Quilt Shop in Vancouver called "Sunny Side Up" by Corey Yoder. Her nickname has always been little miss sunshine, so it was perfect!

My 2021 quilty goals are to continue the list of UFOs as well as work on quilting with fabric I have for charity quilts.

- \* **Syrena Glade:** Honestly, I didn't accomplish anything in 2020. The bird blocks I designed for the next bird quilt are waiting to be quilted, and I haven't touched my machine since the one sewing Saturday I was able to attend a few months ago. Before that the last time I did any sewing was at the retreat in February.

(Editor's note: Syrena did continue drawing in 2020. You can see samples on her Instagram page: [https://www.instagram.com/syrena\\_art/](https://www.instagram.com/syrena_art/))

## Member Survey Says... (Continued)

**Survey Question:** What was your best quilting accomplishment in 2020? What are your quilting goals/resolutions for 2021?

- **Robin O'Neil:** I quilted my first (and second) big quilt by machine. Never did it before, and it taught me a lot. Hope to get back to teaching workshops in 2021!
- **Tryna Hermanson:** 2020 - Best accomplishment - completed my first English Paper Pieced mini-quilt and finished my kids' sports t-shirt quilts.  
2021 - Goal - to only work on projects I love, to get rid of the extras.
- **Patty Dobbs:** For 2020 I finished some UFOs!!! For 2021 finish more UFOs!!! I'm not sure where they come from, but I'm pretty sure I collect them or make them myself; but it's my calling that they become real and not die in a box!
- **Christina Todd:** My best quilting accomplishment in 2020 was completing a Joyce Gieszler mystery quilt top from 2018. Would not have accomplished this without my quilting friend, Sharon! (Editor's Note: My pleasure, Tina! It was fun sewing with you.)
- **Ruth Voelker:** I must say that my best quilting accomplishment was creating a quilt for a cousin with his grandmother's hand embroidered squares. I chose the pattern, pieced it and completed the quilt by free-motion quilting it on my domestic machine; something I hadn't tackled on a large quilt before. By the end of the year, I took great satisfaction in knowing that I have worked on and completed so many fun items - quilt tops, little mini zipper bags, wall hangings and pillows with catchy phrases, free standing lace embroidered ornaments for family and friends, table runners, and a photo collage still in progress. This enthusiasm for creating things from fabric is what has helped keep me motivated, has brought me joy and has helped keep me connected to many of my wonderful friends throughout a very difficult year for all of us.  
I'm not a big resolutions person, but I want to continue to challenge myself to learn something new, work steadily through my 40+ works in progress, get several quilt tops quilted so I can use them, and not the least of all, empty a few stored fabric bins. Should keep me out of trouble for a while, eh?
- **Paulina Kriebel:** I have only made a few large quilts in the last 18 years—too busy with my wearable art business. Covid 19 shut that down; and from May until now, I made over 40 large quilts—mostly bed/queen sized.  
Goals for next year: balancing my time making big quilts and building clothing inventory for when craft fairs and quilt shows return.
- **Robbie Berg:** My best accomplishment was trying several new techniques and sorting out how to get fabric and supplies during COVID.  
My goals for this year are to finish at least 1/2 my UFOs!
- **Susan Greathouse:** Best quilting accomplishment: Finishing the Fancy Forest quilt I started five years ago as a beginner quilter at a Fabric Depot class!  
For 2021, to improve my accuracy and consistency with cutting and sewing, and to do more paper piecing.
- **Toni Beattie:** My biggest accomplishment during the Covid time was finishing my autumn Baltimore quilt that I've been working on for years. My plan for this year is to continue to finish up major UFO's

## Member Survey Says... (Continued)

**Survey Question:** What was your best quilty accomplishment in 2020? What are your quilty goals/resolutions for 2021?

- **Connie Gaebel:** Best Quilty Accomplishment: I joined two BOM projects this last year - I know, crazy. Anyway, I have stayed on top of each month and completed the tops of both BOMs in the first year. They are both ready to be quilted. This is such a great feeling. Now to return to my other BOMs that I have not completed  
2021 Goals: I have several quilt tops that are completed and need quilting. I am just now setting up a recently purchased quilting frame and am excited to start the quilting process. My goal this year is to complete my UFOs before starting new projects. We'll see how long that lasts, just this morning I fell in love with a quilt pattern that is screaming my name. But, we all need goals and I am excited about quilting my UFOs.
- **Sharon Kennedy:** I didn't get a lot of quilting done this year, but I did get my scraps organized—and that is a HUGE accomplishment! I have several scrappy UFOs that I'd like to finish. Maybe some will show up in the reveal during our March program...
